

Candidate Worksheet 6.8

Evaluation of event/competition - individual

Give a brief description of the event/competition that your group delivered and explain the role you played.

What do you feel you personally did well?

Was there anything that you did or that happened to you that didn't go as well as you'd hoped?

What would you do differently next time?

What have you learnt from this experience?

How will you use what you have learnt when you lead in other situations?
